

A note to FSK116 students regarding the examination

1. The marks package for FSK116 has been uploaded. **Do not use the marks in the Grade Centre to calculate your performance.** Use the set that has been uploaded in this package.
2. The **FSK116 Normal examination is on 11 June 2018**, from 16:00 – 19:00, in Thuto 1-1, 1-2, and 3-1. Muslim students will write in IT 2.23 to enable them to break the Ramadan fast. The affected students should forward their names to me before 12:00 on Wednesday 4 June 2018 to confirm booking of a place in IT 2.23.
3. **Not all students are allowed entrance into the examination.** You will be denied exam entrance if your Practical Component mark is < 50% or you have not completed at least 8 of the 9 practicals or your Semester Mark is < 30. Your **exam entrance status** is indicated in the uploaded marks.
4. If, after sitting for the examinations and you do not pass FSK116, you can **consider registering for FSK176 in the second semester.** FSK176 is equivalent to FSK116.
5. Your examination **results will be released by the Engineering Faculty administration.** University policy does not allow us to communicate examination results to students.
6. **Perusal of the FSK116 Normal examination scripts will be on Friday 22 June 2018**, from 09:00 to 12:00, in the 4th floor tutorial venues in the Natural Sciences building. **The following rules shall apply:**
 - (a) Only duly registered FSK116 students shall be allowed to peruse their own scripts. You will be required to present positive identification to be allowed into the venue and to be given access to your script.
 - (b) The perusal is limited to 5 minutes per student.
 - (c) No bags, pens or any kind of stationary, cellphones, cameras or such media devices shall be allowed into the perusal venue.
7. **Scope for the examination and supplementary examination.**
 - (a) A scope statement will be released separately, elsewhere on ClickUp.
 - (b) A set of slides for selected chapters will be uploaded.
 - (c) Some tutorial problems / homework problems to cover the latter chapters will also be uploaded elsewhere on ClickUp.
 - (d) Please **download the relevant cheat sheet for the examination.** You may use both sides of the cheat sheet. However, the normal rules for cheat sheets shall apply.
 - (e) Please utilize 2 barcode stickers per examination sitting. One, on the tear-off strip and the other on the designated block near the top of page 1 of the question paper.
 - (f) The **supplementary examinations** are scheduled for the 27th June 2018, from 13:30 to 15:00. The **scope is the same as for the Normal examination.**
8. Please take note of the following **extraordinary measures applicable to the June 2018 examination period:**
 - (a) Be on campus at least 60 minutes before the start of examination. There are security checks at the gates.
 - (b) Be at the examination venue at least 30 minutes before the start of the examination. Identification checks will be performed before access is granted into the examination venue.
 - (c) Sick Notes: students who are unable to write an examination due to illness should upload their medical certificates electronically via the student portal and submit the original document to the Faculty Administrative offices. The Physics department does not handle sick notes for examinations.

- (d) All **students must present a valid student card to access the campus**, (Note: Passport documents will not be accepted as an alternative to gain access to campus).
- (e) Only students who are scheduled to write examinations during a particular session, will be granted access into the specific venue.
- (f) No late arrivals will be granted access to the exam venues, once the examination has been started.
- (g) **Students must present identification via their student cards or ID books/cards at examination venues.**
