

Surname: _____ Initials: _____ St no

--	--	--	--	--	--	--	--

(1) Print on A4 paper. (2) While you are preparing for the lab session, refer to the laboratory manual to complete the preparation sheet in your own handwriting in coloured ink – no black ink or ordinary pencil may be used. (3) If a heading is not applicable to your experiment, leave it open. (4) You have to leave the sheet at the completed experiment in your report book. (5) If you do not hand in your preparation, you will lose two marks. (6) You will earn either 1 or 2 bonus marks depending on the quality of your preparation. (7) Copying of someone else's work will be viewed in a serious light.

1. Practical abbreviation and full name

2. Goal

3. Safety precautions
